

NOTICE OF NEW BUSINESS NAME

Recently IBG Insurance Brokers changed our business name to become Steadfast IBG Insurance Brokers, effective 20th April 2016.

Our name change reflects a commitment to continue providing our customers with local, personalised service while using the strength of Steadfast to source insurance solutions that protect your business.

We look forward to continuing to work with our partners and extending our relationships.

Steadfast Group is the largest insurance broker network in Australia and New Zealand with 343 insurance brokerages represented by over 1000 offices. The size and scale of the network enables Steadfast to work with insurers on product offerings and claims. Being part of Steadfast allows us to focus on providing our customers with advice, value and strength when you need it.
